Sowing the Seeds of Profits

600,000 Farmers Are Reading the Story of Gold Medal Seeds NOW!

Gold Medal Field Seeds
The Sure Growing Kind

You cannot get a thoroughbred animal from a scrub sire! You cannot get quality crops from ordinary seed. Each seed in nature produces its KIND! Gold Medal Seeds are selected from the cream of the crop but even then, before being offered to you, the trash and weaklings are removed by modern cleaning machinery. They pay you more abundantly for your time and labor. Plant Gold Medal Seeds this season and bank the difference at harvest. If your favorite dealer hasn't them, send us his name and we'll see that you are promptly supplied. Louisville Seed Company, Incorporated, Louisville, Kentucky.

Plant Gold Medal Seeds this season and get the extra profit. Gold Medal Seeds are sold by a reputable dealer near you.
